

U-Star's 24" Narrow Depth Beer Dispensers are an easy way to offer up cold and refreshing draft beers to your patrons for work areas with limited space. These units feature stainless steel tap tower(s) that allow you to fill pint glasses and pitchers straight from the keg. Available in a wide range of sizes that can hold a number of different sized keg barrels both for use and storage. Adjustable shelves are also included for optional bottle or can storage. These units have solid black vinyl locking doors that conceal the contents inside and keep them secure after hours. The thick stainless steel top and built-in drip trays allow for easy clean-up. These models are ETL Listed, ETL Sanitation and backed by a 1 year warranty on parts and labor and a 5 year warranty on the compressor.
