World Tableware introduces three new rustic round Trays – Los Ranchos!

Crafted to mix and match (or not), each tray features a distinct vertical rim, a common outer glaze color, and wells that are adorned with unique base colors and speckles. No two Trays are alike!

Los Ranchos Trays are perfect for appetizers and sharing at the table. Imagine fruit and cheese or something as basic as chicken wings served on these trays. They are versatile enough to complement almost any food offering perfectly!

Features & Benefits:

- Distinct vertical rims for added drama
- Multi-toned for added mix and match versatility
- Rustic, hand-crafted appearance for added perceived value
- Value prices combined with superior quality equate to outstanding value!
- Ideal for fine dining, casual, or themed venues
