Chopstix Risers

Chopstix risers are back by popular demand! No other risers feature Chopstix's unique space-saving design, sleek style, durability and economical prices.

These risers make lovely four-pronged pedestals for display bowls of 2 quarts or larger. Use Chopstix risers to create head-turning presentations in display windows and at attendant-served buffets and banquets.

Made with operational ease in mind, Chopstix risers snap open with the flick of a wrist for quick setup. They also feature a collapsible design so they stack flat and take up minimal storage space between services.

Available in four heights, you can create depth and texture for your culinary theaters.

There is no better solution for cost-effective, elevated and bold displays with operational durability and ready availability.

Reasons to Love:

- Unique style, operational durability and cost-effectiveness
- Ideal space-savers: small footprint design allows for best use of prime tabletop real estate
- Quick and easy setup and breakdown
- Collapsible design that stacks flat and occupies minimal storage space
- Rubber feet create reliable grip to keep your displays in place
- Available in 4 heights to create depth and texture for your culinary theaters
- Made from lightweight and durable aluminum rods and central hub
- Stocked and available for immediate shipping and sampling
