

Rectangular Trays

BRUSHED STAINLESS

Our two newest rectangular trays from Service Ideas are great for bar, restaurant and hotel service. The TRRT2014SR features a molded in non-slip rubber surface making it ideal for carrying drinks from a wet bar to tables. Add a doily to the TRRTH2012BS for a beautiful appetizer plate presentation or for room service. Both trays are constructed from heavy duty 18/8 stainless steel.

TRRT2014SR
Non-Slip Rectangular Tray
Brushed Finish
Rubber insert
20 X 14 INCHES
(shown at top)

TRRTH2012BS
Rectangular Tray with Handles
