About Empura Wall Mount Faucets:

Empura's commercial-grade wall mount faucets offer a reliable and stylish solution for demanding environments. Each faucet features 8" centers and provides either a swivel gooseneck or swing spout with lever or handles. Rated to handle water temperatures up to 140°F and equipped with a 2GPM spout flow rate, these faucets are designed to deliver efficiency without compromising performance. The elegant chrome finish adds a polished look to any setting, and with NSF certification, these faucets meet strict safety and health standards, ensuring long-lasting quality.
