

## MOBILE SLICER TABLE WITH PARKING BRAKE

### STANDARD FEATURES

#### Mobile Equipment Stand with Parking Brake and Retractable Swivel Casters

- **Excellent for use in K-12 School** kitchens, **Correctional** facilities and a solution for a low center of gravity **Seismic** installation.
- Table stands 27.50" high. Add a GSP 4" high slicer leg-set to create the optimal above floor height of 31.50". Combined system offers a comfortable working height while maintaining an ergonomically friendly position for repetitive slicing.
- Four drilled holes to easily mount GSP slicer to table. Use with bolt-on 4" leg-set kit: GSP 4H-LEGSET, optional.
- Stainless steel fully welded construction, 14-gauge, 304 stainless steel top, frame, tray slides, legs, base shelf and parking brake handle.
- Tabletop edge protectors, 1/4" high edges on all sides to prevent slicer from sliding off table.
- Creased base shelf with 3" center drain.
- Side lift arm for mobility, easily rotate stand in place for quick and easy cleanup in work area.
- Parking Brake function to lock stand in place to prevent front, rear, right and left movement during slicing.
- Support up to 800 pounds on leveling feet; 600 pounds on swivel casters.
- Low center to gravity for increased seismic stability.
- Four leveling, 5" diameter, high-friction pad feet.
- Front handle combined with 8" wide scrap-trough.
- Scrap tray (18"W x 26"D), standard.
- Winged Channel on left side holds 18" x 26" and 14" x 18" trays to provide convenient and efficient right to left preparation. (Optional, right winged channel).
- Five tray slides, 2.375" high fixed center spacing to front-load 18"x 26" sheet pan.
- Left corner, 1.25" hole to feed power cord through tabletop to keep surface clean.
- Serialized table for asset tracking.
- Two Year Warranty: On-site, labor and parts.
- Certified to NSF/ANSI Standard 2 and 169.
- Country of Origin: Cleveland, Ohio USA.

Slicer table shown with GSP HD I 90 automatic slicer, GSP BBS-KADDY, sharpener kaddy, and sheet pan (all items sold separately).

### MODEL

#### ▪ Model: SLICER-TABLE-275

## Dimensions: SLICER-TABLE-275

### Weight:

- Product Weight: 126 lb.
- Shipping Weight: 160 lb.

### Shipping Dimensions:

- 37"W x 57"D x 42"H

### Warranty

The SLICER-TABLE-275 carries a two-year, on-site parts and labor warranty against any flaws in materials and workmanship. This period begins with the date of purchase and, provided the unit is used properly in accordance with our instructions, is in full effect for one year from that date. Any work to be performed under this warranty must be performed between the hours of 8:00 a.m. and 4:30 p.m. local time, Monday to Friday. Bizerba will not pay over-time charges for work performed other than during normal business hours. Accessories have a 30-day replacement or repair warranty for the period beginning on the date of purchase. Damages incurred in transit or from installation error, accident, alteration or misuse are not covered. Transit damages should be reported to the carrier immediately. Bizerba shall not be liable for any consequential, compensatory, incidental, or special damages. All warranty work must be performed by a factory authorized Bizerba Representative.
